

16 List of Preparers

The following personnel were directly involved in preparation and/or review of the PEIR:

16.1 San Mateo County Mosquito and Vector Control District

District Board members and staff were involved in preparing and/or reviewing material for the Introduction (Chapter 1), the Program Description (Chapter 2), and review of chapters for accurate explanation of District activities

- Rick Wykoff Board of Trustees, President
- D. Scott Smith Board of Trustees, Environmental Committee, Chair
- Dr. Chindi Peavy, Ph.D. District Manager/CEQA Project Manager
- Brian Weber Assistant Manager
- Theresa Shelton Entomologist

16.2 Consultant Team

Technical and support personnel from the consultant team that were involved in technical analyses, CEQA compliance, the environmental impact analyses and conclusions, and document preparation are listed in Table 16-1.

Preparers	Degree(s) Years of Experience	Role in Preparation	Experience and Expertise
Cardno, Inc. (formerly Cardno ENTRIX)			
Hootkins, Susan	MUP, Urban and Regional Planning BA, Human Biology 39 years	Project Manager Urban and Rural Land Use Alternatives	> CEQA/NEPA Compliance > Environmental Planning > Socioeconomics > Land Use
Bonin, Adam	PhD, Environmental Science & Resources BS, Environmental Management 18 years	Ecological Hazard Assessment; Human Health Hazard Assessment	> Environmental Microbiology > Ecological Risk Assessment > Environmental Chemistry > Quality Assurance/Quality Control Chemistry
Brice, Doug	BS, Geography: Emphasis on GIS and Environmental Planning 20 years	GIS Coordinator	> GIS Systems > Field/Data Collection > Geospatial Application Development > Environmental Planning

Preparers	Degree(s) Years of Experience	Role in Preparation	Experience and Expertise
Clare, Anna	MA, Geography BS, Geographic Information System 6 years	GIS Analyst	<ul style="list-style-type: none"> > GIS System > Environmental Analysis > Physical Geography > Cartographic Research
Dillon, Reinhold	BA, History MA, Medieval History and Literature 30 years	Technical Editing Style Guide	<ul style="list-style-type: none"> > Technical Editing > Language Control
Eschen, Iris	35 years	Production Manager	<ul style="list-style-type: none"> > Document production management and coordination, word processing, desktop publishing
Floyd, Emily	PhD, Ecology BA, Marine Science 11 years	Aquatic Ecology	<ul style="list-style-type: none"> > Aquatic Ecology > Fish Physiology > Ecotoxicology > Habitat Alteration
Gibeson, Brian	BA, Biology 35 years	Terrestrial Biology Wildlife Ecology	<ul style="list-style-type: none"> > Terrestrial Biology > Conservation biology > Invasive Species Management
Knaapen, Anthony	BA, General Biology 2 years	Staff Scientist	<ul style="list-style-type: none"> > Public Scoping > Technical Support
Koppel, Emily	MS, Biology BS, Fisheries & Wildlife 8 years	Toxicity Assessment Aquatic Ecology	<ul style="list-style-type: none"> > Parasite and Disease Ecology > Marine Biology > Terrestrial Ecology > Environmental Toxicology
Lebednik, Gretchen	MS, Botany BA, Environmental Biology 25 years	Terrestrial Ecology	<ul style="list-style-type: none"> > Vegetation Ecology > Habitat Restoration > Rare plant Surveys > Wetland Delineation > Riparian Vegetation assessment
Lee, Michele	MS, Wildland Resource Science BA, Psychology 15 years	Terrestrial Ecology	<ul style="list-style-type: none"> > Vegetation Ecology > Habitat Restoration > Rare plant Surveys > Wetland Delineation > Riparian Vegetation assessment > Public Services and Hazards

Preparers	Degree(s) Years of Experience	Role in Preparation	Experience and Expertise
Pavich, Steve	MS, Agricultural and Resource Economics BA, Economics 11 Years	Urban and Rural Land Use	<ul style="list-style-type: none"> > Socioeconomics > Resource Economics > Recreation > Land use planning
Thompson, Tim	MS, Geological Sciences BS, Geological Sciences 27 years	Water Resources	<ul style="list-style-type: none"> > Water Resource Science > Regulatory Issues
Williams, Bill	PhD, Physiology and Biophysics MS, Physiology and Biophysics BA, Physiology and Biophysics 33 years	Ecological Hazard Assessment Task Leader; Human Health Hazard Assessment Task Leader; Terrestrial Biology	<ul style="list-style-type: none"> > Ecological and Human Health Risk Assessments > Natural Resource Damage Assessments > Pesticide Regulation > Toxicology
Wise, Larry	MA, Marine Biology BS, Marine Biology and Limnology 23 years	Aquatic Biology Aquatic Ecology Terrestrial Biology	<ul style="list-style-type: none"> > Ecology of Freshwater, Estuarine, and Marine Systems > CEQA/NEPA Compliance
Woodman, Lorraine	PhD, Anthropology MA, Anthropology BA, Anthropology 29 years	Noise Analysis	<ul style="list-style-type: none"> > CEQA/NEPA Compliance > Habitat Conservation
Yorke Engineering			
Boyes, Brad	MBA, Project Management BS, Environmental Engineering 33 years	Air Quality Climate Change	<ul style="list-style-type: none"> > Air Quality > Climate Change / GHGs > Health Risk Assessments > Risk Management Plans > Environmental Site Assessment
AECOM (formerly URS Corporation)			
Cooke, Terry	MS, Marine Sciences BA, Chemistry 32 years	Water Resources	<ul style="list-style-type: none"> > TMDLs / Water Quality > Stormwater Management > NPDES Permitting
de Berry, Bonnie	MFS, Aquatic Chemistry BS, Natural Resources and Environmental Sciences 15 years	Water Resources	<ul style="list-style-type: none"> > Water Quality > Hydrology > Stormwater Management > Wetland Mitigation > NPDES Permitting

Preparers	Degree(s) Years of Experience	Role in Preparation	Experience and Expertise
Nielsen, Elizabeth	MS, Environmental Engineering BS, Biology 12 years	Water Resources	<ul style="list-style-type: none"> > Water Quality > Ecological Risk Assessment > NPDES Permitting
Grant Visual Technology
