FOR IMMEDIATE RELEASE:

San Mateo County Mosquito and Vector Control District Celebrates Mosquito Awareness Week with Open House

Burlingame, CA – 10 April 2018 – On Thursday, April 26th, 2018, San Mateo County Mosquito and Vector Control District will hold an open house at its office at 1351 Rollins Rd. in Burlingame from 4pm until 7pm to celebrate Mosquito Awareness Week. Visitors will have the opportunity to meet the staff and tour the laboratory, as well as participate in a variety of demonstrations, exhibits, and activities. No RSVP is required for this event.

San Mateo County Mosquito and Vector Control District is responsible for vector-borne disease surveillance and control of vectors (insects and other animals that may transmit diseases to humans) throughout the county, including mosquito control, public education, and disease surveillance.

Further information about San Mateo County Mosquito and Vector Control District's open house is available at www.smcmvcd.org.
