

**FOR IMMEDIATE RELEASE:**

**San Mateo County Mosquito and Vector Control District Hires New District Manager**

*Burlingame, CA – September 15th, 2020* – In August, San Mateo County Mosquito and Vector Control District’s Board of Trustees voted to approve the selection of Brian Weber as the new District Manager. Weber will take over for Dr. Chindi Peavey, who is retiring after five years as District Manager, on October 1<sup>st</sup>.

Weber has served as Assistant Manager of San Mateo County Mosquito and Vector Control District for the past 7 years, after originally beginning his career as a seasonal employee at the District in 2005. “Brian has worked closely with all the staff to support and deliver excellent service to the public,” said Board of Trustees President Kati Martin. “The Board looks forward to a bright future working with Brian.”
